COVID-SECURE EVENT SPACE CAPACITIES

Revised room capacities allowing for physical distancing

We have assessed each of our 19 flexible event spaces to ensure that we can create as safe an environment as possible for both our clients and staff to operate events within them.

Our Covid-secure event space capacities follow the guidelines* set by the Government and are designed with the safety, security and well-being of our guests and teams in mind.

**maximum capacity under Covid-secure rules*
